Legal Theory Exhibit 2 P.1

Judge Engelmayer is looked upon as the Driving Force of the Corruption in this case due to the fact that he allowed the trial to proceed, only he had the over ruling power to either move the case to its proper Jurisdiction or Dismiss the case in its earlier stages.

The Prosecutors

Also Had A Duty To Notice The case was in the wrong Jurisdiction, it's an Error when a witness lies on the stand or the police officer takes the stand and Testifies identifying a Defendant that he thought was a shooter in a crime. That Does Not weight on the prosecutor to Determine the Facts of the case. But in this case, The wrong is Transparent and should have never Been Hidden or Over looked.
